

## **Possible Course Schedules**

### **One Night a Week -11 weeks**

This schedule is designed for MN students to meet once a week for 2.5 hours. Suggested time is 6:30-9:00 PM. Week 1-9 are devoted to instruction. Week 10 is a make-up night and a time for group work to happen. Two field trips on Saturday are a part of this course. Trips should be offered after week 4 and after week 8. A Group Presentation/Graduation Night is the 11<sup>th</sup> and final week of the course.

### **Saturday Schedule-6 Weeks**

This schedule is designed for MN students to meet for 6 consecutive Saturdays from 9:00 – 5:00. Week 1-4 is dedicated to instruction, week 5 is a group work day/make up day and week 6 is the Group Presentation/Graduation Day. Field trips are the second and fourth Saturdays and need to include instruction.

### **Full Week Schedule**

This schedule is designed for students to meet everyday for 5 consecutive days from 9:00 – 5:00, and for a half day one week later for presentations/Graduation. Field Trips are to be offered in the afternoons of day 3 and 4 and should include instruction. There is no make up time or group work session built into this schedule.

### **Two Night a Week Schedule-6 weeks**

This schedule is designed for MN students to meet 2 nights a week for 2.5 hours each session. Suggested time is 6:30-9:00 PM. Week 1-5 are devoted to classroom instruction. Two Saturday field trips are part of this course. Field trips should be offered after week 2 and week 4. Week 6 contains one night for make up/group work and the second night is for Group Presentations/Graduation.
